1933 SOCIETY

Founding Members

2015 and 2016

MHA's 1933 Society is our multi-year giving society, named in honor of the year we were founded in Charlotte.

The crane, conceivably the oldest bird on earth, has long been a symbol of happiness, as well as wisdom and good fortune. The practice of folding 1,000 cranes represents a form of healing and hope during challenging times.

*Join our campaign to fold origami cranes to help MHA create a chain of 1,000 cranes promoting **Peace of Mind**.*
